Light Full sun - partial sun

Water Medium

Soil Average, adaptable

Hardiness Zones 3 – 9

Height 2 – 3 feet

Spacing 24 – 36 inches

Bloom Times April–May

Bloom Color Periwinkle Blue

Garden Use Native and pollinator garden, butterfly garden, cottage garden, rock garden, wildflower garden.

Benefits Dark, near-black stems arise in early spring to yield a beautiful blue-flowered plant in early spring. Bright green leaves contrast strikingly with dark stems that make this a show-stopper. Fall leaves are bright yellow making this a 3-season stunner.

Tolerates drought and clay soil. Deer resistant.
